Perfect
Ordering Jasper's
beanstalk by height.

A massive well done and thank you to staff.

They have all worked super hard to provide the best education, care and safe environment for the children in school and at home.

A massive well done to you all.

That has been a hard 8 weeks of learning, especially at home. You should all be very proud of what you've done, how you've coped and how much the children have learned.

Here's to the end of this school closure and no more in the future!
