

Who are tiney?

At tiney we help people become amazing educators and partner with them to transform their homes into high quality but affordable early learning environments where children thrive.

By choosing a tiney home, you get other benefits:

★ **Straight-forward payments**

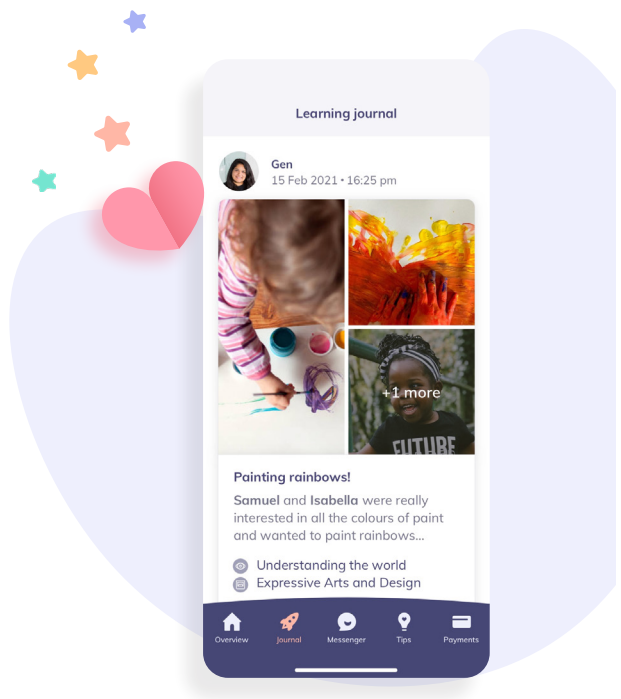

Easily see how to pay for your childcare on the app. tiney supports various childcare funding schemes.

★ **Our community**

tiney childminders are part of a friendly and supportive community and access regular classes, events, and play sessions.

★ **Progress tracking**

Daily learning activities created by experts to support your child's development, with regular updates on their progress.
