The Sheffield College's holiday sports club is open to all children and young people aged 8 to 14 years old.

The programme allows children to experience new sports, learn skills, meet new people and, most importantly, have fun!

The club runs from 9.00am to 4.00pm.

Each day of the programme will focus on a different sport and will be lead by a team of trained, enthusiastic sports coaches. The location provides a safe environment and utilises the college's fantastic sports facilities both inside and out.
