

Housing Strategy 2024

Let's talk about Sheffield's Housing

We want to hear your views on the future of housing in Sheffield!

Earlier this year, we asked you what mattered about housing in Sheffield, and we used this to shape our draft Housing Strategy.

We now want to hear your thoughts on the draft Housing Strategy.

Have your say on:

- Housing choices and access to affordable homes
- Help and advice for making homes environmentally friendly and easier to heat
- Local infrastructure, services and creating safe neighbourhoods

Your feedback will help us finalise a Housing Strategy that helps deliver safe, affordable and climate-ready homes for all.

Consultation runs until the 28th July
